PRIA Milestone Tracking E-mail Notification: jwrightch@comcast.net

Dear Hope Johnson:

On behalf of Aceto Life Sciences, LLC, I am resubmitting forms for the subject registration application to address issues raised in email from Senedu Alemu, dated November 17, 2021.

Besides these issues, a typo in Alt 1 CSF in box 10 for the active ingredient was noted. It lists the active ingredient assay as 98.8% where it should be 98.0 % to make the math correct in Column 13.

This registration application response contains the following enclosed materials:

- Application for Pesticide Registration (EPA Form 8750-1)
- Cover letter
- Confidential Statement of Formula (EPA Form 8750-4)
Basic dated 11/17/21
Alternate # 1, dated 11/17/21
- Formulator's Exemption Statement (EPA Form 8570-27)
- Data matrix private and public copies (EPA Form 8570-35)

If you have any question in regard to this matter, feel free to contact me at (609) 841-8288 or JWrightCH@comcast.net.

Sincerely,

John F. Wright
